Our Worldview. Our Truth.

Our Vision

Shingwauk Kinooamaage Gamig – SKG Teaching Lodge is an Anishinaabe post-secondary institute that preserves the integrity of Anishinaabe knowledge and understanding in cooperation with society. We aim to educate the present and future generations in a positive, cooperative and respectful environment. SKG provides and develops academic programs, workshops and seminars which reflect the Anishinaabe worldview, distinguished by Anishinaabe ways of learning and knowing.
