LEARNING RESOURCES

No textbooks have been identified for this course.

Additional Learning Resources:

Most of the required textbooks for the program are bundled into a Total Solution Package (TSP) through our publisher Elsevier. The TSP package includes eBooks as well as access to all the required online resources such as Sherpath, Clinical Skills videos, Shadow Health simulations, Adaptive Quizzing EAQ's, HESI preparatory exams and software for this course and many others throughout the program. Textbooks and course resources that are not included in the TSP must be purchased independently, as listed in each course outline and syllabus. Resources listed on the course outline support the achievement of learning outcomes and may be used throughout the course/program to varying degrees depending on the instructor's teaching methodology and the nature of the resource. Faculty may, at their discretion, integrate TSP resources into class activities, graded assessments, or preparatory work for courses/labs/clinicals and the College of Nurses of Ontario registration exam.

The fee for this bundle will be charged to your student account as part of the semester program fees. The bundle fee is intended to be rolled into your Program Fees at the beginning of each academic year; however, the Administration reserves the right to post it as a separate charge later in the term or each semester. Please monitor your student account for any subsequent billing and direct any questions to the Admissions Office. For the fee structure please see https://cdn.agilitycms.com/canadore-college/eText%20eResource%20Fees.pdf Upon entry to the program students will have the option of accepting the full package or to "opt out" of the nonevaluative resources of the package. If they choose to "opt out", they will be required to meet with the program coordinator to discuss the TSP and sign a declaration prior to 4:00 pm on the first Friday of the first semester of the program/year. After this deadline, access for the entirety of the program is final and non-refundable. Full deployment of the resources will begin shortly after the opt-out window closes.
